 1. LSSE: Dye test ordinance.
 2. 12th Ave. Bridge Grant: If White Township would like to proceed with LSSE as this project's engineer, the \$40,000 listed under Engineering/Design (PE & FD) will need to be transferred to another line item (e.g. Construction). This essentially means that White Township would be 100% responsible for all design costs which cannot be considered match funds contributed towards this grant and will not be reimbursable. If this option is preferred, the agreement will need updated with a new Exhibit A and returned. If White Township does not wish to remove the match funds from the engineering/design line, the Township will need to advertise for a consultant/engineer for this project utilizing qualifications-based selection criteria in accordance with or equivalent to PennDOT Pub 93 in order for any engineering/design costs to be considered reimbursable or match funds.
