❖ Unfinished Business:

1. **2022 Sanitary Sewer Improvements Project:** Project is being funded in part by the County ARPA amount of \$151,000. Authorized design has been initiated for Old Steffin Hill and 11th Ave. sewer improvements. Surveys were completed on March 24, 2022-Per Supervisor Evans, Jr. the wrong sewer was surveyed originally and LSSE needs to come back out and survey the correct lines. We need to make a motion to advertise for the Old Steffin Hill project for bidding.
Make a motion to advertise project for bidding.
2. **Beaver Falls Sewer System CAP:**
 - Larry provided the updated Dye test ordinance NO. 141 with the name changes for the supervisors to review and make any questions/comments.
 - Emily Palmer mentioned she would like the supervisors to focus on 3 topics to be discussed at a future meeting. They'll need to decide what/if we can do any of these in house or if they need to go out to bid. She's estimating it would be around \$150,000.00 if sent out to bid. She would like the completion date of the below items to be done by 12/31/2022.
 - Dye testing, Smoke testing and manhole physical surveys
3. **CFA Multimodal Grant (Mt. Washington Rds.):** We removed East Ave. off of the list of roads to be a part of this project, it's a dirt/gravel rd. Also want to look at 22nd Ave. as half of that road is Beaver Falls, not White Twp. We will re-apply for this grant again this year at a future meeting. Applications are open from March 1, 2022-July 31, 2022. Jim Marshall will send support letter for this grant.
4. **Multimodal Grant-12th Ave. Bridge Project (PennDOT):** New agreement and resolution were signed and sent to PennDOT after April meeting. Waiting to hear back from PennDOT on next steps.
5. **CFA 2022 Local Share Account (LSA) Statewide:** LSSE submitted LSA Grant application prior to the March 12, 2022 deadline for the following:
 - **Sanitary Sewer System Rehabilitation- \$560,430.00**
 - **Road Improvement Program- \$868,584.00**

6. Get pricing to replace manhole covers for our existing size instead of replacing the entire casting.

❖ **New Business:**

1. Installing cameras at the garage and office buildings
2. Replace springs on dump truck since they're broken
3. Repair/replace sewer at above grade crossing along the railroad

❖ **Good & Welfare of Township:**

1. Township building will be closed for business on Tuesday, May 17, 2022 due to voting. It will be open Monday, May 16, 2022 as a result.
2. The 2021 Audit is complete, it will be advertised in the Beaver County Times on 5/5/22 and is available for public inspection.
